The Magnolia Hotel & Spa, Victoria, British Columbia

If you're looking for a more serene escape, then head to Victoria's Butchart Gardens: 55 acres of bountiful, perfectly kept gardens with dramatic floral displays that will impress even the most serious of flora enthusiasts. By night, enjoy the lushness with the special Night Illuminations experience (June 15 to September 15) and, later in the season, Saturday Night Fireworks (July 1 to September 5). In addition to providing wonderful photo backdrops, the Butchart Gardens package also includes elegant accommodations for one night at the Four-Star property, continental breakfast for two and adult admission tickets to Butchart Gardens.
