2/5 *Fave Places to Eat in Yaletown*

"The [Blue Water Cafe](#) on Hamilton is my happy place and their service is outstanding. I love the pasta at [La Pentola](#) in the [Opus Hotel](#) (pictured), the Brussels sprouts at [The Flying Pig](#) on Hamilton (also, the owners are just really nice guys), [Minami](#) on Mainland for the Salmon Aburi, [Cactus Club](#) on Davie for the Rocket Salad and [Bella Gelateria](#) on Marinaside for the gelato (it's dangerously close to my place)."
