Hit the road this spring with your pet! If you're looking for a pet-friendly vacation in Canada, check out one of these hotel packages that cater to cats, dogs and the humans that love them.

OPUS Hotel, Vancouver: The Pampered Pooch package at this west coast hotel offers doggy spa treatments and a Bow Wow Butler service that will have tongues and tails wagging. The package includes a relaxing one hour massage or reiki session for your dog, a portrait of your pooch by a pet photographer, a designer doggy bandana from Dog & Crow and a welcome beverage and in-room use of an iPad for human companions.

Trump International Hotel & Tower, Toronto: Pack your bags and your pets and take advantage of Trump Toronto's Enviro package and Trump Pets signature program. Get 15% off best available rates, complimentary valet parking and use of Tesla charging stations if you arrive in an electric vehicle. Four-legged guests are pampered with a special in-room dining menu, a signature Trump dog bed, bottled water, toys and treats.

Hotel Le Germain, Montreal: This boutique hotel welcomes guests and, for an additional \$30 per night, their canine companions. Pets are provided with a food mat, bowls and their own bed. For a little extra pooch pampering, the hotel offers exclusive pet products from their Germain Collection.
