 CELEBRATE PRIDE WITH OPUS HOTEL

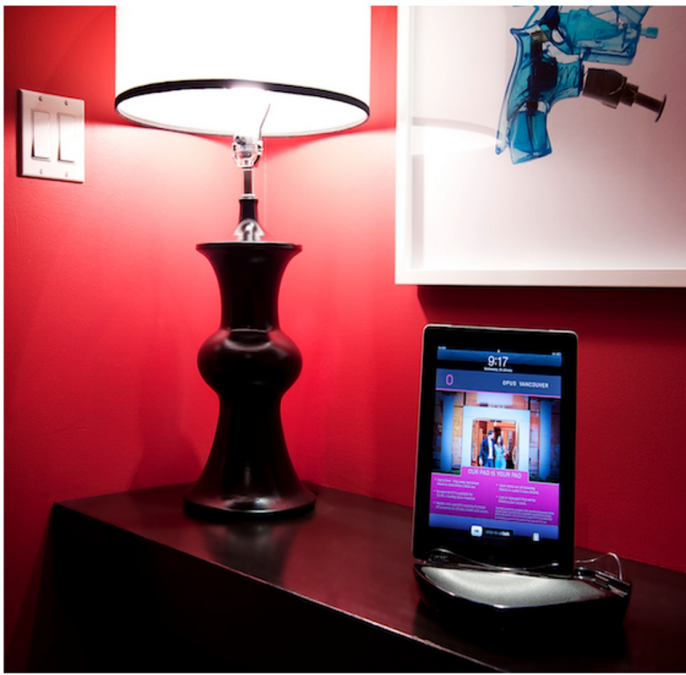

**OPUS HOTEL HAS THE RIGHT PACKAGE FOR YOU THIS PRIDE,  
AND IT'S A BIG ONE.**

By Joshua Langston

To say that this has been one of the biggest and if not most important Pride months in history, would be an understatement. We finally proved that #lovewins with the supreme court ruling that gay marriage is a constitutional right. The overwhelming amount of support from brands, companies, celebrities and from LGBT allies has been extraordinary. The Pride celebrations around the world so far, have been a reflection of this and a celebration of the long fought battle for marriage equality.

With Vancouver's gay pride weekend approaching quickly, we wanted to make sure you were well prepared. OPUS Hotel is offering a package for pride weekend, and they really have thought of everything.

"We don't do beige at OPUS Hotel," says Nicholas Gandossi, General Manager at OPUS Hotel. "But we do roll out the rainbow carpet for all of our guests and we are looking forward to offering a tempting package for the Pride weekend."

And really who doesn't enjoy a big tempting package. This year OPUS is offering their Bare Necessities Package, which will get you just about everything you will need for a fantastic pride weekend.

The Package includes an overnight stay at The OPUS Hotel in the rainbow room of your choice and a welcome glass of bubbly [We're off to a good start]. Opus Hotel also has put together a Pride Survival guide to ensure a fun and safe weekend. In the Pride survival kit there is protection "from the sun or otherwise", OPUS Hotel's famous "intimacy kit" and waxing treatments for two at Stripped Wax Bar in Yaletown. After your "Balls out" treatment (for men) or "Sweet Spot" treatment (for women) you get to take home hygiene spray to keep things cool and fresh down there.

Now when we said this was a big package, we weren't kidding. Also included is 2 tickets to one of Pride Weekends biggest and most popular events, "RAPTURE VICTORY" presented by TFD Presents. Since 2007 TFD has been producing some of the biggest and best events for the LGBT community. From bringing your favourite international DJ's and dancers, to all of your favourite and most famous queens to the stage. TFD has not only become a fixture but a institution within the LGBT community. This year for Rapture Victory the headlining DJ's are Tom Stephan and DJ Grind, with performances by Shokra and 15 international go-go boys and diva's as well as Drag Superstars Rhea Litre, Maddelyn Hatter and Vancouver's own Raye Sunshine.

When you wake up in the morning and realize the struggle has never felt so real, head down to La Pentola OPUS hotels award winning northern italian restaurant. Also if you mention the OPUS Hotel Pride Package when booking, you will get a complimentary bottle of bubbly. The best way to cure a hangover is to have some bubbly darling. Always.

Have a happy and safe pride weekend filled with lots of fun, love and a few regrets, but don't make not booking the Opus Hotel's Bare Necessities Package one of them.
