Le Creuset's new colourful range of dinnerware has arrived just in time for summer. Perfect for mixing and matching, the vibrantly hued pieces are crafted from the highest quality stoneware and finished in a protective glaze for durability and stain resistance and are safe for broiler, oven, microwave and dishwasher use. Included in the range are dinner plates, dessert/salad plates, pasta and cereal bowls, each packaged in sets of four allowing you to select your favourite shades or mix and match for a personalized touch. From \$80 to \$120, available at select kitchen retailers.
