**Tiffany & Co Jewelry (Tiffany Infinity Necklace, Bracelet, Ring Tiffany T Necklace, Ring, Bracelet Needle & Thread Dress (similar), Chloé Bag, Christian Louboutin Heels, Dior Sunglasses**

Tiffany & Co has always been so special to me, and since Francesca Amfitheatrof took the lead last year, I have fallen even harder for the collections! The **Tiffany T** collection is so effortlessly chic, and the new **Tiffany Infinity** Collection is equally stunning. Simple yet refined, it is perfect for layering and looks beautiful paired with the Tiffany T collection.
