12/12 *Tiffany T Smile Pendant, \$1,250*

FOR THE BEST FRIEND

Maybe she's your wife who's endured your smelly hockey gear, your mom who's offered you sage advice (that you've always ignored), or your beloved sister who had to put up with your tireless childhood antics. This season make it up to her by surprising her with this adjustable, 18k-rose-gold pendant (also available in yellow gold). It's a special item she can wear every day, with everything.
