DELICIOUS TREATS AT BEL CAFE

Bel Cafe, located in the Rosewood Georgia Hotel, is a perfect place to grab a coffee and a light bite to eat during the day while shopping up a storm in [Vancouver's](#) downtown. Coffee here is roasted by Parallel 49 Roasters, the tea is Singaporean luxury tea brand TWG, and the food offerings come from the same kitchen as the celebrated Hawksworth Restaurant, located just few steps away. Choose between full table service or grab delicious pastries like pain au chocolat or their famous macarons, sandwiches and other ready to go items.
