

## Top Spots to Celebrate Macaron Day in Vancouver

Alison Ensworth | 3/19/2015

### 6/9 *Bel Café*

Elegance and refinement convene at West Georgia and Howe Street, where the chefs and sharply dressed staff of [Bel Café](#) serve immaculately plated fare to customers for whom quality is paramount. And nothing exemplifies the marriage of class and craftsmanship better than their macarons. Available for purchase in illustrious Bel Café boxes, these brightly coloured creations come in nine flavours, from carrot cake and PB & J to manjari & raspberry and cookies & cream. In honour of Macaron Day, pastry chef Wayne Kozinko will be introducing a new coconut cream pie macaron to the menu, and donating partial proceeds from macaron sales to the [Greater Vancouver Food Bank Society](#). Make sure you come early so you can soak up the atmosphere before the crowds descend.
