### 9/10 *Wolf in the Fog Takes Over Fable – January 29*

When we think Tofino, we think [Wolf in the Fog](#): a standout (and multiple award-winning) restaurant located in the heart of the quiet island town. Well, this week, you don't need to catch a ferry to taste the latest in Chef Nicholas Nutting's kitchen. Joined by bar manager, Hailey, chef Nick will be taking over Vancouver's [Fable restaurant](#) for one night only. The menu is hush-hush, but we do know that it will feature the freshest locally sourced seafood.

*\$60 tickets sold in advance (beverages sold separately)*

*5:30 p.m. to 8:45 p.m. based on reservation, 1944 West 4<sup>th</sup> Avenue*
