REDFISH KIDS' POP ART-INSPIRED SPRING COLLECTION

In perfect serendipity with the opening of **Mashup: The Birth of Modern Culture** at the Vancouver Art Gallery **Redfish Kid's Clothing** has unveiled their Pop Art/Abstract Expressionism-inspired Spring 2016 collection.

Envision the bold colours of Warhol and the edgy patterns of Lewitt printed on the perfect party dress (\$128). Kids can play artist and create their own colour-blocking ensemble with the **Chroma Hoodie** (\$48) and striped leggings (\$34).

Thanks to this Spring Collection art education can start with getting dressed in the morning! www.redfishkids.com — *Michelle Gadd*
