

15 Best Islands for Foodies

Written by Allecia Vermillion • April 14, 2016

Islands, by definition, tend to have great seafood. But that's just the beginning. Great island meals happen in humble beach shacks and four-star restaurants with ocean views, from balmy subtropics to the New England coast. From the 2015 Reader's Choice Awards, these are the best island eats around the globe. *Vote for your favorite hotels, cities, airlines and more in the [2016 Readers' Choice Awards survey](#).*

11. Vancouver Island (British Columbia), Canada

An island that's 300 miles long has more than enough room for variety. On Victoria, it's scones, finger sandwiches, and [British-style high tea](#); head north and the Pacific coastline offers more remote, rugged fine dining at places like Wikaninnish Inn and the destination-worthy Wolf in the Fog (pictured)—not to mention pristine local oysters.
