FLOWERS

Filosofi Events created a very colourful and vibrant, lush and full, fun Spring look in rich tones and citrus tones. Contrasting with the all-white orchid, rose and hydrangea chandeliers hung above the table line, the floral arrangements with multiple varieties of roses, from garden roses to spray roses, also ranunculus, tulips and coral peonies, can be considered garden glam yet luxe as well. The bouquet has a full garden look with coral peonies, garden roses and ranunculus.
