

An aerial photograph of a resort pool deck. Several white lounge chairs are arranged on a light-colored tiled surface. Large green umbrellas provide shade. A person wearing a white hat and a patterned shirt is lying on one of the lounge chairs, reading a book. A small round table with a drink is next to them. The scene is brightly lit, casting long shadows.

The HOTELS Issue

BEST HOTELS

Selecting the right accommodations can make or break a trip. That's why every year we put together the T+L 500, a directory of your favorite properties around the globe. From the concierge who shares priceless local insights to the floating breakfast in your private pool, this collection of hotels can deliver it all. The best part? You, our readers, picked them all: when you vote in the annual World's Best Awards survey, the 500 highest scorers make up this prestigious list.
